The Lawton Foundation for Human Rights denounces the precarious, inhumane and dangerous prison conditions to which Dr. Oscar Elias Biscet, prisoner of conscience, and president of the Lawton Foundation for Human Rights continues to be submitted , at the Combinado del Este prison in Havana, Cuba.

His wife, Elsa Morejon Hernandez, denounced these conditions to the world today.

To all those men and women of good faith, to human rights organizations and to the world, we ask you to pray, and demand the immediate liberation of Dr. Oscar Elias Biscet and all of the political prisoners in Cuba.
